PROFESSIONAL EXPERIENCE

UI/UX Designer | CentoCode Technologies Pvt Ltd, Gurugram   Mar 2025 - Present
- Designed end-to-end interfaces for web/mobile apps using wireframes, prototypes, and mockups.
- Conducted user research, journey mapping, personas, and usability testing to improve design decisions.
- Collaborated in agile cross-functional teams, ensuring smooth handover to developers and stakeholders.
- Applied information architecture, taxonomy, and design systems for scalable, consistent experiences.
- Created design documentation, style guides, and specifications for multi-platform solutions (web, iOS, Android).
- Leveraged WCAG accessibility standards and usability principles for inclusive, compliant design.
- Utilized Figma for rapid prototyping and stakeholder presentations.

CSA | Cogent E-services Ltd (Tata Play), Noida   Dec 2023 - Mar 2025
- Developed a strong understanding of user behaviour and problem-solving patterns laying the foundation for a transaction into ux research and design.
- Interacted with hundreds of users weekly gathering insights into recurring pain points and unmet needs to inform better user experiences.
- Practiced active listening and empathy to understand customer frustrations helping shape user first solution and improve product satisfaction.
